10040	Rayovac ProLine Advanced ZM Batteries, size 312

Item Number Rayovac Extra Advanced Zero Mercury Batteries

10041 Rayovac Extra Advanced ZM Batteries, size 312 (10 cards of 6 batt)

The World's Longest Lasting Mercury-Free hearing aid battery
Rayovac's green commitment goes beyond Mercury-FREE batteries
With an environmental focus in manufacturing, packaging, marketing and other programs

Item Number Energizer EZ Turn & Lock Zero Mercury

10042 Energizer EZ turn & Lock ZM Batteries, size 10
10043 Energizer EZ turn & Lock ZM Batteries, size 13
10044 Energizer EZ turn & Lock ZM Batteries, size 312
10045 Energizer EZ turn & Lock ZM Batteries, size 675

Convenient packaging keeps your hearing instrument batteries secure. The dial is easy to turn and the "click" lets you know that the batteries are in position, ready to be dispensed. Color-coded packages are clearly marked with battery size. Batteries feature longer tabs for easy handling.

Item Number Renata Maratone Plus Mercury Free

10046 Renata Mercury Free Batteries, size 10
10047 Renata Mercury Free Batteries, size 13
10048 Renata Mercury Free Batteries, size 312
10049 Renata Mercury Free Batteries, size 675

Package 6 batteries per card, 10 cards per carton (60 batteries total)

Item Number Power One Mercury Free

10050 Power One MF Batteries, size 10
10051 Power One MF Batteries, size 13
10052 Power One MF Batteries, size 312
10053 Power One MF Batteries, size 675

Package 6 batteries per card, 10 cards per carton (60 batteries total)

Item Number Power One ACCU Plus Rechargeable

10054 Power One ACCU Plus Rechargeable Batteries, size 13 (2/card)
Power One Accu plus Nickel Metal Hydride Rechargeable Hearing Aid Batteries
Size P13, 1.2V 22mAh, 2 batteries. Made in Germany
Requires Power One brand Accu charger see item number 52075
PLEASE NOTE: Due to the limited mAh capacity of NiMH rechargeable button cells, this rechargeable battery may not be suitable for high power demanding hearing aids.

Item Number ZeniPower / Zinc Air

10055 ZeniPower Multiple-Vent Batteries, size 10 (10 cards of 6 batt)

Designed specifically for Advanced Bionics Hearing Aid which has the (+) battery contact in the center of the battery thus keeping the battery from working
The multiple holes allow the battery to work in the AB device

Item Number iCellTech Platinum

10056 iCellTech Platinum Batteries, size 312 (10 cards of 6 batt)

Size 312
iCellTech Platinum, Zinc Air Batteries
Packaged 6 batteries per card, 10 cards per carton (60 batteries total)

Item Number OtoForm

10057 OtoForm Comfort Cream (5gm)
Popular sealant/lubricant imported from Germany. Makes earmolds and ITEs more comfortable while providing an acoustic sound seal. Available in 5gm tubeal)

Item Number Huggie Aids

10083 One pair Huggie Aids Catcher 6"
10084 Huggie Aids Catcher without Huggie Aids

Huggie Aids are held together by a tube which can be clipped to clothing.

Item Number OtoClip

10085 BTE Monaural Right Side Red
10086 BTE Monaural Left Side Blue
10087 ITE Monaural Right Side Red
10088 ITE Monaural Left Side Blue
10089 Binaural-BTE
10090 Binaural-ITE
10091 ITE Fastener Kit

Helps prevent loss of an BTE or ITE by attaching to patient's clothing. Color coded for right or left ear

Item Number Mack's EarDryer

10092 Mack's EarDryer
10093 Replacement Rechargeable Lithium Battery
10094 Replacement Eartips (4/pk)

Dries external ear canal in 80 seconds. Temperature of heating unit regulated for safety and optimum drying time. Designed and tested by an ENT. Portable.
Rechargeable battery powers 50 drying cycles on single charge

Item Number Audiologist's Choice®

10095 Audiologist's Choice Ultrasonic Disinfectant Concentrate (8oz)
Audiologist's Choice® Ultrasonic Disinfectant/Cleaner Concentrate
8 oz bottle makes 4 gallons! Very economical / Cleans, disinfects, deodorizes /
Won't harm instruments, probe tips, earmolds, or patient
EPA registered virucidal, fungicidal, and bactericidal / Biodegradable, requires no rinsing
First ultrasonic cleaner/disinfectant specifically formulated for hearing care professionals

Item Number CaviCide™

10096 Cavicide Disinfectant (24oz spray)
10097 CaviWipes Disinfecting Towelettes (160/canister)
10098 Cavicide Disinfectant (1 gallon)

Presaturated with CaviCide®, CaviWipes is a cleaner and disinfectant, in one. CaviWipes are durable, nonwoven, nonabrasive towelettes that offer quick, easy-to-use, time-saving convenience. They're recommended for use on non-porous surfaces and fixtures.
Effective against Staphylococcus aureus with reduced susceptibility to vancomycin and Influenza A2 Virus. Kills TB in 3 minutes and MRSA, HIV-1 and HBV and HCV in 2 minutes.
Saves time and inventory. A cleaner and disinfectant in one. Stays fully saturated. Better fluid capacity means the wipes won't dry out. Convenient. Ready-to-use towel and CaviCide in one. Nonabrasive. For use on nonporous surfaces. Superior surface contact. Durable, nonwoven towels won't bunch up during use.

Item Number Branson Ultrasonic Machine (15oz)

10099 Branson Ultrasonic Machine (15oz)
15 oz capacity tank / 40 kHz ultrasonic energy / 5-minute timer with auto shut off /
Stainless steel tank with removable basket / Tank Dimensions: 6.5" x 3.5" x 2.25" /
External Dimensions: 8.75" x 4.5" x 5". One year warranty

Item Number Gemoro® Sparkle Spa

10100 Gemoro Sparkle Spa (1 pint)
10101 Replacement Basket for Sparkle Spa
1 pint capacity tank (600ml) / 42,000 energy waves per second
Quiet, solid-state circuitry / 35 watts – 50/60 Hz / 3-minute timer with auto shut off
Blue LED illuminated stainless steel tank with removable basket
Tank Dimensions: 6" x 3.75" x 1.75" / External Dimensions: 8" x 5" x 5.5". One year warranty

Item Number Safe Sound™

10102 Small Sanitary Headphone Covers (100/pk)
Economical, disposable earphone covers provide a clean surface for each patient. Box of 100.

Item Number Tie-On Masks

10103 Tie-On Masks (50/box)
Disposable, lightweight, light blue color. Made of synthetic, non-irritating fibers
Fluid resistant surgical masks. Hypoallergenic, non-fiberglass, latex-free
99% Bacterial Filtration Efficiency. 95% Micron Filtration Efficiency

Item Number Molded Masks

10104 Molded Masks (100/box)
Cone face mask, lightweight. Soft, breathable, 3-ply paper
Latex-free. Dust filtration efficiency of 95%. 20 gram, 17cm x 9cm

Item Number	Carbon Fiber,Nylon Disposable Cerumen Instruments
10167	Carbon Fiber Nylon Cerumen Hook
10168	Carbon Fiber Nylon Buck Currete
10169	Carbon Fiber Nylon Buck Currete, Oval
10170	Carbon Fiber Nylon Rosen Cerumen Hook

- Unique Instrument has the rigidity of metal but the weight and cost of plastic.
- Unlike other plastic instruments these allow for the extraction of even hard wax.
- Sold in Box of 100 • Threaded probe on opposite end of cerumen instrument

Item Number Mack's Pro Rinse Earwax Removal Kit

- 10171 Mack's Pro Rinse Earwax Removal Kit
- Ear drops held so soft, loosen and break up earwax
 - Earplugs (included) hold drops in ears while treatment is underway
 - Easy-to-hold and use syringe provides control. • Tri-stream tip safely directs water
 - Ear wash rinse tub included

Item Number Welch Allyn

- 10172 3.5V Halogen Pneumatic Otoscope Head
20200 3.5v Pneumatic otoscope head w/specula 03100
Halogen replacement lamp
- Halogen HPX™ lamp provides light output for true tissue color and consistent, long-lasting illumination Rotating lens with ultraseal enables easy pneumatic otoscopy
Fiber optic illumination produces cool light.

- 10173 3.5V Halogen Diagnostic Otoscope Head
25020 3.5v Diagnostic otoscope head w/specula 03100 Halogen
replacement lamp
- Halogen HPX™ lamp provides light output for true tissue color and long-lasting performance
Fiber optics project cool light to the distal tip with no reflections or obstructions for superior views of the tympanic membrane. Wide-angle viewing lens allows for instrumentation under magnification Sealed system for pneumatic otoscopy and accurate diagnosis of otitis media

- 10174 3.5V Halogen MacroView Otoscope Head
- 23810 MacroView otoscope head 71000-A 3.5v NicCad rechargeable handle, silver (with battery) 71900 3.5v Lithium-Ion rechargeable handle, black (with battery) 72200 3.5v NicCad Rechargeable battery (black) (for 71000-A handle) 72300 3.5v NicCad Rechargeable battery, (orange) (for 71000-A handle) 71960 Lithium-Ion replacement battery (for 71900 handle) 06500-U Replacement lamp
- Twice the field of view and 30% greater magnification
Full view of TM / Better clarity and definition / Enhanced illumination / Ability to adjust focus for variable ear canal lengths or farsighted eyes / Tip grip for secure fastening or specula / Ejection feature for specula disposal / Fits any Welch Allyn handle

- 10175 3.5V Halogen Operating Otoscope Complete Set
- 21700 3.5v Operating otoscope head w/specula
03100 Halogen replacement lamp
- Halogen HPX™ lamp produces light for true tissue color and long-lasting performance
Open system makes use during procedures more convenient. Rotatable lens and speculum for ease of use. Fiber optic illumination produces cool light. Complete Otoscope Set Includes:
3.5V Operating Head (#21700) and 3.5V Rechargeable Handle (#71000-A)

- 10176 2.5V Halogen PocketScope w/ AA Battery Handle
- Small, convenient, lightweight and easy to carry.
Halogen light for true tissue color and consistent, long-lasting illumination
Simply detach the otoscope head to use the throat illuminator or all-purpose penlight
Fiber optics provide cool light with no reflections or obstructions
Wide-angle viewing lens allows for instrumentation under magnification
Sealed system for pneumatic otoscopy. 2 Handle Options – Powered by (2) AA batteries or (1) rechargeable NiCad battery. 22820 – PocketScope with AA Battery Handle

Item Number Heine Beta 200. Fiber Optic Otoscope Head

- 10177 Heini Beta 200 head + 4 specula
Replacement bulb (TL)
- The ultimate in performance and quality
Solid, all-metal construction. A quality instrument for the physician's office with
Fiber Optic (F.O.) illumination.

Item Number Heine en 100-1 Wall Transformer

- 10178 Heine EN 100-1 Single Unit Wall Transformer
- The EN-100 provides a constant 3.5V output voltage independent of mains voltage fluctuations
Economically in use, always the right amount of light and environmentally friendly
No batteries necessary
Magnetic ON/OFF mechanism
No moving parts that can wear out or be damaged
Once selected, the brightness remains the same
Soft start avoids current surge during switch-on phase and prolongs bulb life
Advanced, ergonomic handle design
Continuous brightness control on the handle
Quality spiral cord with a comfortable working radius of up to 3 m
Instrument locks as standard equipment to prevent unauthorized removal
Flexible extension option - freely expandable with additional extension unit
Takes Heine or Welch Allyn otoscope head (Head NOT Included)

- Item Number Heine Mini 3000 Non Fiber Optic
- 10179 Mini 3000 Non-FO Otoscope with handle and 5 disposable specula-black
10180 Mini 3000 Non-FO Otoscope with handle and 5 disposable specula-blue
10181 Replacement bulb for Mini 3000 Non-FO
10182 Soft Case for Mini 3000
10183 Hard Case for Mini 3000

Enhanced Xenon Halogen technology with 100% more light 3X magnification
Runs on two AA batteries Color: Black

- Item Number Heine Mini 3000 Fiber Optic
- 10184 Mini 3000 FO Otoscope with handle and 5 disposable specula-black
10185 Mini 3000 FO Otoscope with handle and 5 disposable specula-blue
10186 Replacement bulb for Mini 3000 Non-FO
10187 Soft Case for Mini 3000
10188 Hard Case for Mini 3000

Distal Fiber Optic (F.O.) illumination with enhanced XHL Xenon Halogen
Technology producing 100% more light compared with conventional
bulbs. Homogenous, reflex free illumination of ear canal and tympanum.
Insufflation port for pneumatic testing of tympanic mobility.
Permanently attached swiveling window with 3x magnification and
optimized casing surface for razor sharp images and minimal reflection.
Handle with integrated on/off switch. Switches off automatically when
placed in pocket. 20,000 switch cycles guaranteed.
Standard AA

2.5 mm 4 mm

Item Number Heine All-Spec Disposable Specula

10189 Heine All-Spec Disposable Specula, 2.5mm
10190 Heine All-Spec Disposable Specula, 4mm

Designed to fit Heine Otoscopes and most other brands of otoscopes
High quality medical grade plastic with secure fit design 1000/bag

Item Number Heine All-Spec Specula Dispenser

10191 Heine All-Spec Specula Dispenser (holds 200)

Semi-transparent plastic design allows for instant check of inventory
Holds up to 200 All-Spec disposable ear tips

Item Number Heine All-Spec Reusable Ear Specula

10192 All-Spec 2.4mm Reusable Specula
10193 All-Spec 3mm Reusable Specula
10194 All-Spec 4mm Reusable Specula
10195 All-Spec 5mm Reusable Specula
10196 Set of all 4 All-Spec Reusable Specula (set of 4)

For Heine Fiber Optic Otoscopes and most other brands of fiber optic otoscopes
Positive locking design fits firmly on otoscope. Ergonomic design for trauma-free insertion
Can be disinfected with most conventional solutions & are autoclavable. 2.4 mm, 3 mm, 4 mm, 5 mm

Item Number Welch Allyn Disposable Kleenspec

Disposable Specula for Diagnostic Style Otoscopes

10197 Welch Allyn Diagnostic Style Reusable Speculum, 3mm

For use with all Welch Allyn diagnostic otoscopes: Models: 20000, 25020, 22800, 22820, 24031
23810, 23101, 23920. Color coded black. 3 mm

Item Number Welch Allyn Disposable Kleenspec

Disposable Specula for Pneumatic and Operating Otoscopes

Model Numbers: 20200, 21700, 20202, 20100, AM311H, AMHEUTV3, AMHEAN.
• Fits Dino-lite video otoscopes

10198 3mm Specula (500/bag or 25/sleeve)
10199 4mm Reusable Specula (500/bag or 25/sleeve)
10200 5mm Reusable Specula (500/bag or 25/sleeve)

Item Number Welch Allyn Reusable Specula

for Pneumatic and Operating Otoscopes

Welch Allyn Reusable Specula for Pneumatic/Operating Heads,
(Will not fit on Dino-Lite) Color coded dark green

10201 2mm Reusable Specula
10202 3mm Reusable Specula
10203 4mm Reusable Specula
10204 5mm Reusable Specula
10205 9mm (Nasal) Reusable Speculum

Item Number Fiber Ear Vision™ Ear Light Set

10209 Fiber Ear Vision Ear Light Set with case
10210 Fiber Ear Vision Light only, no tips
10211 Cerumen removal tip, red
10212 Vented ear dam tip, yellow
10213 3mm Ear light tip, white
10214 2mm Ear light tip, black
10215 Replacement bulb
10216 Energizer AAA battery

A complete ear light set that uses fiber optic technology to transmit light to the ear canal.
Allows user to direct a brilliant light source directly on the point of examination.
Set comes with light, 2 ear light tips, cerumen removal tip, vented ear dam placement tip
and case. Uses (2) AAA batteries (Included).

Item Number Welch Allyn professional penlight

10217 Welch Allyn with straight probe tip
10218 Replacement bulb
10219 Straight probe tip

Halogen light for true tissue color and consistent, long lasting illumination. Brass with black matte
finish for durability. Uses AAA batteries. Penlite and your choice of tip must be or- dered separately.

Item Number Wax Loops for Welch Allyn Penlight

10220 Stainless steel
Wax Loop for WA Penlight-Large
10221 Wax Loop for WA Penlight-Medium
10222 Wax Loop for WA Penlight-Small

Hearing and Listening Stethoscopes

Item Number Lightweight Plastic Stethoscope

10223 Lightweight stethoscope
10224 Replacement Small Belltip for Stethoscope
10225 Replacement Large Belltip for Stethoscope
10226 Eartip portion only for plastic Stethoscope
10227 ITE Probe for listening tip

Item Number Medium Weight Hearing Aid Stethoscope with Bell Cup

10228 Medium weight stethoscope with Bell Cup
Mushroom shaped eartips swivel for ideal fit.

Item Number Deluxe Hearing Aid Stethoscope

Includes 2 listening tips-a probe tip for use with ITE's & a listening cup
for use with BTE's
10229 Heavy Duty Hearing Aid Stethoscope (black)
10230 Heavy Duty Hearing Aid Stethoscope (blue)
10231 Heavy Duty Hearing Aid Stethoscope (red)

Item Number Ear Level Stethoscope

10232 Lightweight plastic stethoscope with "male" snap button receiver.
10233 Stethoset with Snap Button Receiver
10234 20dB Attenuator
Snap-In attachment, tubing & bell tip

Item Number Personal Pocket Evaluator

10235 Monatural listening tube
10236 Personal Pocket Evaluator
Eartip only for pocket evaluator (1eartip)

Item Number E-A-RTONE 3A and 5A insert Earphones®

10236	5A Insert Earphones Set 10 ohm
10237	5A Insert Earphone Set 50 ohm
10238	3a Insert Earphone Set 10 OHM
10239	3a Insert Earphone Set 50 OHM

Designed to help provide an exceptionally reliable audio- metric test. E-A-RTONE 5A y 3A Insert Earphones fit directly inside the ear canal rather than outside and around the ears. This direct “coupling” to the ear canal produces important advantages that can enhance test reliability and minimize or eliminate problems frequently encountered with a supra-aural type earphone.

Item Number E-A-RLINK E-A-RTONE® Accesories

10240	3B Eartip, Beige small, 50/pk
10241	3A Eartip, Yellow standard, 50/pk
10242	3C Eartip, Yellow jumbo, 24/pk

Yellow Tip: For use with E-A-RTONE Insert Earphone Standard 0.54” (13.7mm) diameter, Value Pak (750 tips)
Beige Eartip: For use with E-A-RTONE Insert Earphone. Pediatric 0.38” (9.7 mm) diameter, Carton of 10 bags of 50 ea. (500 tips)

Item Number Supra-Aural Earphone Cushion Set

10243	Supra-Aural Earphone Cushion Set - Regular Size, Red+Blue (pair)
10244	Supra-Aural Earphone Cushion Set - Pediatric Size, Red+Blue (pair)
10245	Supra-Aural Earphone Cushion Set - Regular Size, Black (pair)

Fits most headsets

Item Number Safesound headphone Covers

10246	Safe Sound Disposable Earphone Covers (100/bag)

10329	Size 4.8 mm, UGD/SND/SGD Eartips (100/bag)
10330	Size 6 mm, UGD/SND/SGD Eartips (100/bag)
10331	Size 8 mm, UGD/SND/SGD Eartips (100/bag)
10332	Size 10 mm, UGD/SND/SGD Eartips (100/bag)
10333	Size 12 mm, UGD/SND/SGD Eartips (100/bag)
10334	Size 14 mm, UGD/SND/SGD Eartips (100/bag)
10335	Size 16 mm, UGD/SND/SGD Eartips (100/bag)

Item Number Foam OAE Tips from Etymotic Reserch

10336	Have a red stripe on the tube, will NOT work with Biologic Equipment
10337	Adult size foam OAE tips, 13mm, Yellow, 25/pk
10338	Pediatric size foam OAE tips, 10mm, Beige, 25/pk
10339	Tubes for ER10C Tips, 50/pk
10340	3.5 mm eartips, 20/pk
10341	4 mm eartips, 20/pk
10342	5 mm eartips, 20/pk
	6 mm eartips, 20/pk

Item Number Probe Tubes

10343	Blue coded probe tubes w/marker ring (36/pk)
10344	Blue coded probe tubes value pack of 120
10345	Probe tube for MedRx Otowizard (50/pk)
10346	Green Coded probe tubes. Universal Fit (36/pk)

Item Number AudioScan Precision Probe Tubes

10347	Audioscan probe tubes w/marker ring, color coded yellow (36/pk)
10348	Audioscan probe tubes value pack of 120
10349	Probe tubes with marker ring, color coded red (36/pk)

Item Number Foam Ear Dams

10350	Foam Ear Dams, small (gray), 50/bag
10351	Foam Ear Dams, medium (white), 50/bag
10352	Foam Ear Dams, large (blue), 50/bag

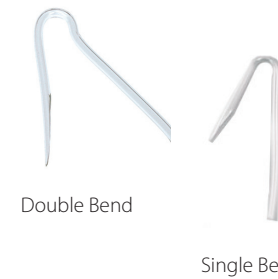

Item Number Slim Foam Ear Dams

10353	Foam Ear Dams, small (gray), 50/bag
10354	Foam Ear Dams, medium (white), 50/bag
10355	Foam Ear Dams, large (blue), 50/bag
10356	Pediatric Slim Foam Ear Dams, 50/bag

Item Number Cotton Ear Dams

10357	Cotton Ear Dams, mini (white string), 50/bag
10358	Cotton Ear Dams, small (blue string), 50/bag
10359	Cotton Ear Dams, medium (white string), 50/bag
10360	Cotton Ear Dams, large (red string), 50/bag
10361	Cotton Ear Dams, mini-plus (Between mini & small), 50/bag

Item Number Tubing Performed Tubes

	Double Bend		Single Bend
10362	12 Standard, (0.085" x 0.125")	10368	12 Standard, (0.085" x 0.125")

10365	13 Superthick, (0.076" x 0.142")	10371	13 Superthick, (0.076" x 0.142")
10366	15 Standard, (0.059" x 0.116")		
10367	16 Standard, (0.053" x 0.116")		
Five inch overall length with extra long quill on one end for easy insertion. / 25 per package.		10372	Bulk Tubing
		10373	12 Standard
		10374	13 Standard
			13 Thick

Item Number CFA Tubing

	CFA Tubing Continuous Flow Adapter
10375	CFA Tubing #13 Standard
10376	CFA Tubing #13 Thick
10377	CFA Tubing #13 Superthick
10378	CFA Tubing Dri-Tube, 13 M
10379	CFA Tubing Dri-Tube, 13
10380	CFA Seating Ring
Will not become twisted, pinched or squeezed. / 13 Super Thick / 10 per package	

Item Number Libby Horn Tubing

10381	Libby Horn tubing, 3mm
10382	Libby Horn tubing, 4mm
10383	Libby Horn TRS tubing, 3mm
10384	Libby Horn TRS tubing, 4mm
10385	Libby Horn Dri-Tubing, 3mm
10386	Libby Horn Dri-Tubing, 4mm
Special tube designed to increase gain over conventional tubing. Ideal when using an analog hearing instrument and fitting a high frequency hearing loss. Smooth one piece design. 6 per package	

Item Number Dri-Tube Tubing

10387	Dri-Tube 13 M
10388	Dri-Tube 13 T
10389	Dri-Tube 13 TT
Dri-Tube helps reduce moisture buildup problems in tubing. 13 Standard , 13 thick, or 13 superthick. Sold in packs of 10	

Item Number Brass Tube Locks

10390	Tube Lock with 13 T tubing
10391	Tube Lock with 13 TT tubing
10392	Tube Lock without tube for 13 T tubing
10393	Tube Lock without tube for 13 TT tubing
10394	Tube Lock Tool
Brass Tube-Locks Tube-Locks are used for attaching tubing to flexible type earmolds without requiring any cement, yet allowing tubing replacement as needed. Sold either with or without tubing. Made of brass	

Item Number TRS Tubing

	TRS Tubing Retention System
10395	TRS tubing, 13 T
10396	TRS tubing, 13 TT
10397	TRS tubing with Dri-tube, 13T
Designed to allow for a friction fit into earmold without the need to damage soundbore when removing it.	

Item Number Tube Lock Plus

10398	Tube Lock Plus 13T
10399	Tube Lock Plus 13TT
Plastic tube locks afixed to tubing. Sold in packs of 10	

Item Number DisappEar Tubing From Westone

10400	12S Color "A/B", 10/pack
10401	13M Color "A/B", 10/pack
10402	13M Color "C", 10/pack
10403	13T Color "A/B", 10/pack
10404	13T Color "C", 10/pack
10405	13TT Color "A/B", 10/pack
10406	13TT Color "C", 10/pack
Helps reduce moisture buildup problems in tubing. A/B Color (Fleshstone), C Color (Dark Brown)	

Item Number Scissors

10407 Manicure Scissors (3.5")
10408 Tubing/Bandage Scissors (5.5")
10409 Blunt End Safety Scissors
10410 Economy Mayo Scissor (5.5")

Item Number Tubing Air Blower

10411 Tubing Air Blower in box
10412 Tubing Air Blower in sealed bag (no box)
Helps remove moisture from tuing

Item Number Tubing Expander Pliers

10413 Stainless Steel, Heavy Duty Pliers
Designed for expanding tubing. Stainless steel plier

Item Number Hooden Handle Flat Spatula

10414 Wooden Handle Spatula
Wood grain handle with wide, flat 4" stainless steel blade

Impression Syringes

Item Number Professional Silicone Syringe

10415 Professional Silicone Syringe
10416 Replacement O Ring for 232A Syringe (5/pk)
Designed for all makes of silicone impression material. Clear plastic allows viewing of material being injected.

Item Number The Best Syringe (Adult & Child)

10417 The Best Syringe (Adult)
10418 The Best Syringe (Child)
10419 Retainer Ring for The Best Syringe (gray-Adult)
10420 Retainer Ring for The Best Syringe (red-Child)
10421 Replacement "O" Ring for The Best Syringe(2pk)
• Uses Heine disposable specula to keep tips clean for each patient (10 included)
• Uses Heine Disposable specula

Item Number Economy Syringe

10422 Economy Syringe
• With gripping flanges for easier operation

Item Number Universal Syringes™

10423 Universal Syringe, standard (blue) for CICs
10424 Universal Syringe, standard (pink) Standard
• Durable syringe
• Streamlined barrel fits all hand sizes
• Employs exclusive vented double O-ring construction for precision control, smooth positive pressure release
• Use with silicone, polyvinyl siloxane, or acrylic material
• Self clean after material cures

Item Number Injection Style Syringe

10425 Monoject 35cc Syringe
• 35cc plastic syringe oil resistant silicone gasket • Perfect for powder and liquid impression material.

Impression Guns

Item Number DM-50 Manual Impression Gun

10426 DM-50 Cartridges Impression Gun
Lightweight gun. Used with older DM-50 cartridge (SQUARE)

Item Number DS-50 Manual Impression Gun

10427 DS-50 Cartridges Impression Gun
Used with newer DS-50 cartridge (ROUNDED)

Item Number ImpressEar Electric DS-50 Cartridge Impression Gun

10428 ImpressEar Electric Impression Gun
10429 Stand for ImpressEar Electric Impression Gun
10430 Replacement rechargeable Battery for ImpressEar

Used with newer DS-50 cartridges. Cordless, Flow and drip control, Push button plunger retraction
Uses rechargeable NiMH battery – approx. 30 impressions per charge. One year warranty
Includes: Gun, NiMH Rechargeable Battery, AC Adapter/Charger, SiliClone S-50 Cartridge with 4 Mixing Tips, SiliClone Firm Cartridge with 4 Mixing Tips, & (24) Assorted PROS Ear Dams

Item Number Mini Mag Impression Light with Clip

10431 Clip & Light
Mini Mag-Lite attaches to an impression cartridge to illuminate the ear canal during earmold impression procedures.

Impression Material

Item Number Fiber Ear Vision

10432 Fiber Ear Vision Light Set (Included light, fiber optic tip & unbreakable rubber gasket)
10433 Rubber Gasket only

Fiber optic light with clip fastens to any manual impression gun with unbreakable rubber gasket. Allows you to see the ear while working with an impression gun

Cartridge Impression Material

Item Number Audiologist's Choice

10434 Audiologist's Choice impression Material, (8 cartridges, 36 MT4 mix tips)
10435 Audiologist's Choice impression Material, (8 cartridges, no tips)

Cures within minutes, very durable, low viscosity, shore A-30, For use with DM-50 gun. Color Teal

Item Number Siliclone™ DM-50

10436 SiliClone™ DM-50 Cartridge Impression Material (8 cartridges+32MTL tips)
10437 SiliClone™ DM-50 Cartridge Impression Material (8 cartridges, no tips)

Impression Material for DM-50 Gun
• Westone's cartridge impression material • Designed to flow freely and easily
• Sets up quickly with no oily residue • Low viscosity • Shore-A 25 • Color: Pink
• For use with DM-50 impression gun

Item Number Siliclone™ DS 50

10438 Cartridge Impression Material (8 cartridge, 32 S-50 MTM mix tips)
10439 Cartridge Impression Material (8 cartridge, no tips)

Impression Material for DS-50 Gun
• Designed to flow freely and easily • Sets up quickly with no oily residue
• Medium viscosity • ShoreA-25 • Color: Pink • For use with DS-50 impression gun

Item Number Siliclone™ Firm

10440 DS-50 Firm Cartridge Impression Material (8 cartridges, 32 S-50MTL mix tips)
10441 DS-50 Firm Cartridge Impression Material (8 cartridges, no tips)

Impression Material for DS-50 Gun
• All advantages of cartridge material with viscosity of pink silicast •
Only available in DS-50 (50ml) cartridges • Shore-A 30 • Medium viscosity • Color: pink

Item Number Silhouette™ Impression From Siemens

10442 Siemens Silhouette DM-50 Impression Material (8 cartridges + 36MTL tips)
10443 Siemens Silhouette DM-50 Impression Material (8 cartridges, no tips)

Impression Material for DS-50 Guns
Responds to increased need for longer, high quality impressions • The formula and dispensing method make it more convenient and reliable compared to other impression material • Cures in about 5 minutes • Medium viscosity • Shore-A 30 • Color: Teal

Item Number Silhouette™ Plus Impression From Siemens

10444 DS-50 Cartridges Impression Material (8 cartridges+36S-50MTM tips)
10446 DS-50 Cartridges Impression Material (8 cartridges, no tips)

Impression Material for DS 50 Gun
• Silhouette formula in DS-50 (50ml) cartridge • Requires DS-50 gun and tips
• Medium viscosity • Shore-A 30 • Color: Teal

Item Number Blue Ultra

10447 Blue Ultra DM-50 Cartridge Impression Material (8 cartridges, no tips)
Impression Material for DM-50 Gun
• Designed for smooth flow • Sets up rapidly • Shore-A 37 • Medium viscosity • Color: Blue

Item Number Matrics DM-50

10448 Matrics DM-50 Impression Material (8 cartridges+36MT4 tips)
10449 Matrics DM-50 Impression Material (8 cartridges, no tips)

Impression Material for DM-50 Gun
Cures within minutes • Very durable • Shor-A 28 • Low viscosity • Color: Teal

Item Number Matrics NXT

10450 Matrics DM-50 Impression Material (8 cartridges+36MT4 tips)
10451 Matrics DM-50 Impression Material (8 cartridges, no tips)

Impression Material for DM-50 Gun
Easier-to-dispense version of Matrics • Requires DS-50 Gun • Shore-A-value of 28
• Low Viscosity • Color: Teal

Item Number Zhermack Elite OT 38

10452 Amplifon Labeled DS-50 Cartridge from Zhermack (8 cartridges+32 S-50 MTL mix tips)
10453 Amplifon Labeled DS-50 Cartridge from Zhermack (8 cartridges, no tips)

• Amplifon Labeled Cartridge for DS-50 Gun • Working time: 1 to 2 minutes • Sets up in 3 to 4 minutes
• Shore-A 37 • Color: Green

Item Number Sonus Purple Stuff

10454 Amplifon Labeled DM-50 Cartridge Impression Material (8 cartridges+36 MT 4 mix tips)
10455 Amplifon Labeled DM-50 Cartridge Impression Material (8 cartridges, no tips)

Impression Material for DM-50 Gun
PLEASE NOTE: This material is actually blue in color...not purple.
• Developed for Sonus and Sonus Network • Ready-to-use material in cartridges • Shore-A 30
• Low Viscosity • Color: Blue

Item Number Yellow Stuff IV

10456 Yellow Stuff IV DM-50 Cartridge Impression Material (8 cartridges, 32 MTYS mix tips)
10457 Yellow Stuff IV DM-50 Cartridge Impression Material (8 cartridges, no tips)

Impression Material for DM-50 Gun
• Yellow silicone impression material • Shore-A 24 • Low viscosity • Color: Yellow

Item Number Accu-Flex™ II

10458 Accu-Flex™II DS-50 Cartridge Impression Material (8 cartridge, no tips)

Impression Material for DM-50 Gun. Hal Hen's cartridge impression material
• Accurate, smooth flowing, flexible • DS-50 Cartridges • Shore-A 25 • High Viscosity • Color: Green

Item Number DS-50 Mixing Tips

10459 Small, 4.2mm-Yellow
10460 Medium, 5.4mm-Pink
10461 Large, 6.5mm-Teal

Item Number DM-50 Mixing Tips

10462 4mm, standard length (clear)
10463 4mm, short length (yellow)
10464 5.4mm long length (clear)
10465 6.35mm, X-large length (blue)
10466 mixing tips for yellow Stuff (yellow)

Tub & Accelerator

Item Number XL-100 Silicone Impression Material

10467 XL 100 Tub & Accelerator (purple)
10468 XL 100 Accelerator Only

The original silicone impression material. XL 100 includes a tub of purple impression material (60 impressions), a tube of accelerator and a measuring scoop. XL 100 has a Short-A value of 25 and medium viscosity.

Item Number XL-200 Silicone Impression Material

10469 XL 200 Tub & Accelerator (beige)
10470 XL 200 Accelerator Only

XL 200 is the same as XL 100 but is beige in color. It comes in a tube of accelerator and a measuring scoop. XL200 has a medium viscosity and Shore-A value of 30.

Item Number XL-300 Blue Velvet Silicone Impression Material

10471 XL 300 Tube & Accelerator Only (blue)
10472 XL 300 Accelerator Only

Blue Velvet comes complete with a tub of white material (approx.. 60 imp), a tube of blue accelerator and a measuring scoop. XL 300 has a Shore-A value of 25 and medium viscosity.

Item Number Audiologist's Choice® Impression Material

10473 Audiologist's Choice® 2-Part Impression Material (55 impression size)

- Impression Material Great in the Clinic, Great in the Lab
- Outstanding flow characteristics, is easy to syringe and a dream to work with
 - High viscosity - a firmer formula is preferable, particularly for patients with soft tissue
 - When cured it is pliable, durable (Shore-A value of 25) and lightly oiled so it is easier to remove from the patient's ear
 - 5-7 minute cure time, reduces the time the patient has the material in the ear
 - Color: Teal
- In the Lab... Audiologist's Choice has:
- Great wax adhesion, so the wax stays on the impression.
 - Good "grindability"... Won't shred and is easy to work with

Item Number Pink Silicast® Silicone Impression Material

10474 Pink Silicast, Two 335gm Tubs (45 impression size)
10475 Pink Silicast, Two 525gm Tubs (70 impression size)

New reformed Pink Silicast from Westone is now more accurate, smoother and dimensionally stable. It features an improved flow rate and 3-5 minute set-up time. Shore-A value of 32 and high viscosity.

- Color: Pink and White
- Available in 2 sizes
- Includes color code measuring spoons

Item Number Dur-A-Sil Equal Formerly Rebound

10476 Dur-A-Sil Equal (55 impression size)

Dur-A-Sil is used for all types of impression work. It is an equal component system tha tis used with a standard syringe. Dur-A-Sil has a 2 ½ minute time span for mixing and a total set-up time 6-8 minutes. Shore-A value of 18-20, medium viscosity and excellent elongation properties. Color blue

Item Number Gold Velvet II Silicone Impression System

10477 10 impressions
10478 40 Impressions
10479 80 Impressions

Gold Velvet II silicone two-part impression system, specially formulated for deep canal fittings, particularly for CIC instruments. Gold Velvet has a shore-A value 40, medium viscosity ad is available in 3 sizes.

- Color: Yellow

Item Number VS100 Vinyl Polysiloxane Impression System

10480 VS 100, 60 impression size

- Two part vinyl polysiloxane material
- Very smooth
- Does not expand
- Shore-A 35
- High viscosity
- High viscosity
- Color: Green

Item Number Otoform A/K Vinyl Polysiloxane Impression System

10481 Otoform AK, 80 impression size

- Two part green silicone impression system
- Color coded measuring spoons included
- Shore-A 35
- High viscosity
- Color: Green
- Vulcanazing silicone with a soft, thixotropic consistency

Item Number Siemens Silhouette

10482 Siemens Silhouette 2-Part Tubs, 55 impression size

- Bulk version of Siemens Silhoutte
- Medium to high viscosity
- Shore-A 30
- Color: Blue

Item Number Westone Silicone Singles

10483 Silicone Singles

- Individual unit doses of Pink Silicast impression material sold by of 100 or by the each
- New formula that is smoother and dimensionally stable
- Featured improved flow rate
- Color: Pink
- When ordering, indicate quantities by either a box (1 unit= 100 silicone singles) or by the each (1 unit=1 silicone single)

Item Number Gold Velvet II Singles

10484 Gold Velvet Singles (1 unit)
Gold Velvet in individual units

- Color: Yellow

Item Number Dur-A-Sil Equal Singles (formerly Rebound One Shot)

10485 Dur-A-Sil Equal Singles (1 unit)

Dur-A-Sil Equal material, available in individual units
Color: Blue

- Can be purchased in a box of 100 or by the each

Item Number Flextime Singles Silicone Units

10487 Flextime Singles (1 unit)

Heat activated impression material

- Cures fast in the ear
- Color: pink and purple

Item Number Siemens Silhouette Singles

10488 Siemens Silhouette Singles (30 ears worth)
The unit dose version of Siemen's Silhouette

- Color: Blue

Instant Silicone

Item Number Aqua Plus Instant Swim Plugs

10489 Aqua Plus Instant Swim Plug Kit (25 pairs) catalyst, base & sealant
10490 Aqua Plus Instant Swim Mold Singles (red)
10491 Aqua Plus Instant Swim Mold Singles (blue)
10492 Aqua Plus DM-50 Cartridge
10493 Aqua Plus Sealant 30ML (no brush)

- Instant earmold and swim plug material
- Makes approximately 25 pairs
- Comes complete with 2 Jars of Base A and Base B (1 red, 1 blue) and 1 oz. of sealer
- Included 2 color coded measuring spoons
- Also available in singles

Item Number VS Instant Swim Plugs

10494 VS 101 Instant Swim Plug Kit (20 pairs)

Instant, floatable impression material comes with red and blue color material, measuring spoons and sealant.

- One kit makes 20 pairs.

Item Number Aqua-Guard Instant Swim Plugs

10495 Aqua-Guard Instant Swim Plug Kit (25 pairs)
10496 Silicoat Lacquer, 50cc bottle

Instant Swim plugs Floatable, high strength, long lasting instant impression

- Kit includes: measuring spoons, 1 jar of base catalyst (white) and 2 jars of base color (1 red, 1 blue)

Item Number Ear Guard™ Instant Hearing Protection

10497	Ear Guard DS-50 Cartridge-Yellow
10498	Ear Guard DS-50 Cartridge-Red
10499	Ear Guard DS-50 Cartridge-Blue
10500	Ear Guard DS-50 Cartridge-Purple
10501	Ear Guard DS-50 Cartridge-Beige
10502	Ear Guard DS-50 Cartridge-Black
10503	Ear Guard DS-50 Cartridge-Orange
10504	Ear Guard DS-50 Cartridge- Green

Gun dispenser Ear Guard silicone is speedy, sanitary, and durable. Custom ear molds can be modified, vented and lacquered coated in less than an hour. Makes perfect noise plugs for factory worker, hunters, shooters, law enforcement, musicians, etc.

- Available in 8 colors
- DS-50 cartridge
- Shore-A 40
- NRR 23

Item Number Tech-Care Quick-Pro

10505	Tech-Care DS-50 Cartridge (Clear)
10506	Silicoat Laquer-50cc Bottle

- Ideal for direct-fit earmold
- Used as temporary or demo molds
- Clear, high strength, long lasting Clear, high strength, long lasting
- Can be coated for enhanced appearance
- Can be drilled for tubing or venting
- Can also be used an earmold production material
- Requires DS-50 Gun

Item Number Handy Handles

10507	One Pair with braided cord
10508	One Pair without cords

- Red & blue handles that screw into earmolds, providing a handle

Item Number Clarity Professional® XL50™

10512	Clarity Professional® XL50™
-------	-----------------------------

The new Clarity Professional® XL 50™ is the redesigned Ameriphone Dialogue XL50. The XL50 features Clarity Logic® support service which at the touch of a button connects user remotely evaluate a phone, make adjustments, assist with initial set-up. & address ay issues or problems.

- Up to 60 dB amplification at 124 dB SPL
- Digital Signal Processing with acoustic echo cancellation, noise reduction and multiband compression.
- 4 position tone control based on algorithms of the most common types of hearing loss (low, flat, high, frequency, and multiband)
- Volume rest override
- Headset jack, neckloop jack, bedshaker port, and lamp flasher control
- Bright visual ringer
- One year warranty

Item Number Clarity Professional® Digital, Extra Loud, Big Button Speakerphones

10513	Clarity Professional® XL40D™
10514	Clarity Professional® XL45™
10515	Bed Shaker for XL40D/45/50
10516	Wireless Lamp Flasher for XL40D/45/50

- Color: Blue • Can be purchased in a box of 100 or by the each

- XL40D™
- Amplification: 50 dB incoming, 15 dB outgoing
- Extra loud speakerphone
- Large backlit keys; 12 speed dial buttons
- Dual power backup
- 90dB rings

- XL45D™
- Amplification: 50 dB incoming, 15 dB outgoing
- Extra loud speakerphone
- Large tilting LCD display; Caller ID
- 4 speed dial buttons
- Dual power backup
- 90dB ringer

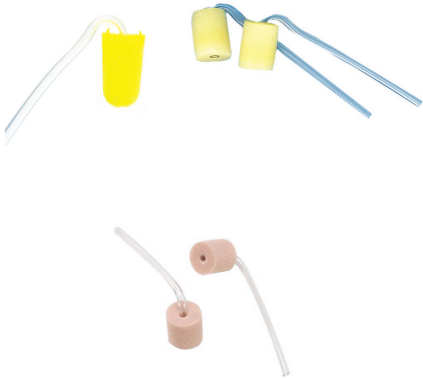

Can be purchased in a box of 100 or by the each The XL40D and XL45 feature Clarity Logic®, the latest innovation in support from Clarity. This support service allows Clarity representative to remotely evaluate a phone and adjust settings, including assistance with initial set up and phone configuration, all at the touch of a button. Both phones have a one year warranty.

Item Number ClearSound® Amplified freedom Phone™

10517	ClearSound CSC1000
-------	--------------------

- Clear Digital™ Power delivers maximum clarity & background noise suppression
- 55dB adjustable handset amplification with tone control
- Speakerphone in base offering 30dB amplification
- Digital Answering System – playback messages through handset or speakerphones; remot message access.
- 95 dB adjustable ringer & bright visual
- talking caller Id – speak name & number of caller
- talking Keypad- speak back number digital through dialed through speakerphone
- 8 photo frame buttons for one-touch dialing
- 39 name & number phonebook
- 2.5mm headset & 3.5mm neckloop
- 1-touch emergency dial button
- Table/wall convertible
- Jack for optional vibrating pad (purchased seperatly)
- Color: White
- One year warrenty

Item Number Earmold/Demo Tips

10509	Economy Demonstration Tips with Tubing, yellow (24/pk)
10510	Tapered Economy Demonstration Tips with Tubing, bright yellow (24/pk)
10511	E-A-R Temp Tips with 13M Tubing, beige (25/pk)

- Disposable, temporary earmold for use during hearing instrument demonstration or as a loaner earmold
- Foam tip with attached clear, pre bent size 13 tube

Educational Material - Books & Counseling

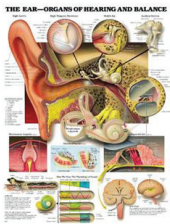

www.ihearproducts.com
T. (786) 368.6848

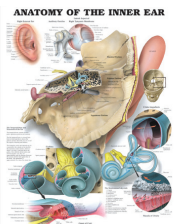

Item Number LACE Listening & Communication Enhancement

- 10531 LACE Auditory Training Package
- LACE is a home-base, self-paced adaptive auditory training program designed to improve listening and communication skills
- Runs on Windows or Macintosh PC
 - Simple and intuitive
 - Helps compensate for hearing loss by strengthening thinking and memory skills and providing communication strategies in difficult listening situations
 - Improves cognitive functions necessary for effective communication
